OPERATIONAL GUIDELINES

for

Component A: "Working Capital Loan"

- i. The High Powered Committee will decide on the disbursement under the scheme.
- ii. Funds available with NDDDB to be used for providing soft loans for working capital to enable Cooperative Societies and farmer producer organizations engaged in dairy activities to provide a stable market access to farmers.
- iii. **Eligible Organizations:** Cooperative Societies and farmer producer organizations (FPOs) engaged in dairy activities.
- iv. **Eligibility Criteria:** Cooperative Societies and farmer producer organizations engaged in dairy activities which fulfil the following criteria will be eligible for working capital loan from the **corpus fund**; to be repaid within nine months-
 - a. Must not be a defaulter in repayment of long term loan or working capital loan to NDDDB and/or NCDC.
 - b. Past accounts, upto the previous financial year, must be attached with the loan application.
 - c. The Debt Service Coverage Ratio (DSCR) of the operations to cover the total liability towards lenders should work out to a minimum of 1.25 times.
 - d. The Cooperatives and FPOs engaged in dairy activities must post Operating Profits of the last 3 consecutive financial years. 'Other income & grant' should not be considered for calculation of Operating Profit.
 - e. Current Ratio should be a minimum of 1.00. 'Non recoverable debtors' shall be excluded from debtors and 'short term loan & interest due' to be included in current liabilities in calculation of Current Ratio.
 - f. Only those Cooperative Societies and farmer producer organizations engaged in dairy activities will be eligible which have not received any element of subsidy from the State Government for milk procurement. Those States where subsidy is paid either to the State Federations or directly to the farmers for milk procurement shall not be eligible to receive working capital loan on soft terms under this scheme.

Note:-

- a. The eligible borrowers must submit their application for working capital in a prescribed format to NDDDB.
- b. The details required would include month-wise details of milk procurement, liquid milk sale and milk disposed in various products for the past financial year and month-wise projected details, including projected cash flow for the financial year(s) of the working capital loan drawl and repayment.
- c. The borrower would also need to submit audited annual accounts for the last three financial years.

v. **a) Computation of maximum eligibility of Working Capital:** The maximum eligibility of working capital shall be assessed as per the following formula.

- i. Working capital requirement during flush months is equivalent to:
[(MPPD-LMPD) X MPP X 120] Where: MPPD = Milk Procurement Per Day in Kg LMPD = Liquid Milk sale Per Day in Kg MPP = Milk Procurement Price paid to DCS per Kg. (120 days flush period)
- ii. Working capital requirement during lean months milk procurement period is equivalent to:
Cost of powder & white butter requirement during lean procurement months (80% of the purchase value)
- iii. Net working capital requirement:
Working capital requirement assessed as per (i) and/or (ii)
Less: share capital / free reserves invested in Fixed Deposits/ Bank Accounts, etc.

b) Maintenance, upkeep and distribution of Corpus fund: It is proposed to create a corpus fund under NDDB through a separate designated bank account which will be audited by internal and statutory auditor of NDDB as per NDDB Act. In addition, DADF may, as and when it is deemed necessary by it, get the accounts of the corpus fund audited by CAG of India.

The High Powered Committee set under the chairmanship of Secretary (DADF) will indicate state wise allocation of working capital fund.

c) Fund Disbursement: Fund disbursement shall be decided by HPC. The withdrawal of funds shall commence after the borrower completes the execution of documents and other formalities relating to security coverage. The withdrawal of the sanctioned loan shall be allowed in a maximum of 4 installments depending upon the requirement of the borrower.

NDDB shall ascertain the projected cash flow and carry out financial appraisal to work out the Debt Service Coverage Ratio (DSCR).

NDDB shall convey the approval of working capital loan to the borrower through a sanction letter.

d) Security & documentation:

- i. Board resolution
- ii. Working Capital Loan agreement
- iii. Demand Promissory Note
- iv. Letter of Continuity
- v. Letter of Hypothecation (for first charge on stock)
- vi. Post Dated Cheques (PDCs) for repayment of principal and interest

DEEPAK SETHI
Under Secretary
DAHD

- vii. Escrow arrangement on the operating bank account where all sale proceeds of the borrower are deposited for securing repayment in case of default.

In order to ensure that PDCs get paid on presentation, undertaking will be required from the borrower confirming that (i) the borrower will not request NDDDB to withhold presentation of PDC citing any reason and (ii) the borrower will ensure adequate funds on the due date of PDC and (iii) in the eventuality of any cheque getting dishonored, the borrower will not request NDDDB to abstain from taking action under section 138 of Negotiable Instruments Act.

e) Rate of Interest: The rate of interest proposed to be simple interest of 5 % per annum (floating rate), which will be calculated on a monthly rest basis from the date of disbursement of loan.

The penal rate of interest in case of default in repayment will be @ 2.00% per annum over & above the normal interest to be compounded monthly or any such rate as may be specified by High Powered Committee set under the chairmanship of Secretary (DADF).

f) Repayment period: The principal along with interest shall be repaid within a maximum period of nine months from the date of release of each installment.

g) Other terms and conditions:

The eligible organization availing subsidy shall keep NDDDB informed on the following in the prescribed format:

a) Monthly Audited Fund Utilization Statement.

b) Monthly Stock Statement. NDDDB shall physically verify the stock of commodities purchased/ converted by the borrower by availing working capital loan from NDDDB. The fund utilization, stock position of commodities purchased and cash-flow will be assessed/reviewed monthly by NDDDB and installments after the first shall be released only after ensuring that the borrower has utilized the previous amount as per the scheme and physical verification of stock.

c) Interest or profit earned by NDDDB on the corpus or from working capital loans will be ploughed back to the corpus. NDDDB will furnish statement of account of the corpus to Govt. of India on a periodic basis.

OPERATIONAL GUIDELINES

for

Component B: 'Interest Subvention on Working Capital Loan'

1. Introduction:

The "Interest subvention on working capital loan" with a total outlay of Rs. 203 crore for supporting the milk cooperatives and milk producer companies institutions to overcome problems being faced due to COVID 19 has been approved by Government of India (GoI) for FY 2020-21. This component will continue during 2021-22 to 2025-26. This will be implemented by Department of Animal Husbandry and Dairying (DAHD), GoI through NDDB.

Under this provision, 2% per annum interest subvention on secured/unsecured working capital loan shall be provided. This is subject to the condition that such loans meet other criteria of the scheme and also any risk of default lies with the financing institutions. For prompt and timely repayment additional 2% interest subvention will be payable at the end of the loan repayment period.

Eligible Organisations:

Producers' Owned Institutions such as Milk Federations, Milk unions, Farmer owned/ Milk Producer Companies will be considered for providing financial assistance under the proposed scheme. They will be termed as Participating Agencies (PA).

2. Purpose of the Scheme:

The scheme would have the following benefits:

- a) It will help in providing stable market access to milk producers.
- b) Enable the Producer Owned Institutions to make timely payment of milk bill to milk producers.
- c) Improvement in farmers' income from dairying even during flush season making the dairy operations viable for milk producers.
- d) It will help Producer Owned Institutions in supplying quality milk and milk products to consumers at a reasonable price.
- e) It will help in stabilizing the domestic market price of conserved dairy commodities.
- f) It will help in converting surplus liquid milk into conserved commodities with higher shelf life.
- g) It will lead to reduced dependency on imported commodities during the period of shortage, thereby helping in stabilising the domestic prices of milk and milk products.

3. Eligibility Criteria for the PA:

Participating Agencies fulfilling following criteria will be eligible to avail interest subvention under the scheme:

- a) The beneficiary (i.e. PA) should have a sanctioned loan/facility for working capital borrowing (including cash credit facility) from any Scheduled Commercial Banks/ RRBs/ Cooperative Banks/financial institutions (Hereafter called FI- Financing Institution) for meeting the working capital requirement during the operational period of the Scheme.
- b) Participating Agency must be regular in repayment of loans and interest servicing to FI and has to first repay the loan installments, to avail the benefits under the scheme.
- c) Interest Subvention shall be provided for the outstanding Working Capital loan during the current financial year (1st April 2021 and 31st March 2022).
- d) Interest Subvention shall be provided on back ended basis every month by National Dairy Development Board (NDDDB) to Participating Agency bank account with FI after verifying the claim.
- e) Participating agency should pay back the procurement price to farmers on a regular basis and should be able to submit proof of that.
- f) The Participating Agency should agree to provide monthly reports with day-wise details on opening, addition, reduction and closing balance of Conserved Commodities and such milk processing /operations reports as required by NDDDB.

4. Role of stakeholders
